

HOPEFUL ARTCARD NO.12 - *Kitty Wright, Y2, St Werburgh's VA Primary*

I was asked to create a picture about Hope. Because it was about hope I put all the letters of the words of HOPE and LOVE on the world. I was trying to show that HOPE means everybody in the world should try to be friends and the LOVE was to show that everybody should love their mummy and daddy and parents should love their children too. The hearts around the world shows that everybody should love each other.

Bible Passage

Let me give you a new command: Love one another. In the same way I loved you, you love one another.

John 13: 34

Questions

1. Do you think Kitty is right in linking Hope with Love? Give your reasons.
2. Jesus said you should love even your enemy. Is this possible?
3. How would the world be different if Kitty's vision became reality?

Task

*In the film 'Pay it Forward' a teacher asked his class to think of something to change the world for the better and put it into action. Trevor comes up with the idea of paying a favour not back, but forward - repaying good deeds not with payback, but with new good deeds done to three new people. See if you can do the same.
