

Hope

is where you look
for it!

HOPEFUL ARTCARD NO.15 - *Hetty Oldfield, Y6, Holy Trinity VC Primary*

I thought of something that makes me happy and hopeful and I thought of a flower but which flower? But then it came to me! What flower brings hope of a new life in spring? A daisy! But what's a small helpless daisy compared to a dark wilting weed of thought? Well you've got to think happy thoughts and the daisy turns into a shining flower of hope! Each petal has the golden touch of a new life and each leaf leaves you feeling all warm inside. But you can't find hope everywhere. HOPE IS WHERE YOU LOOK FOR IT!

Bible Passage

God purposely chose what the world considers nonsense in order to shame the wise, and he chose what the world considers weak in order to shame the powerful.

1 Corinthians 1:27

Questions

1. Do you think that simply having positive thoughts can change a situation?
2. Do you think believing in a God who loves you is a help to people?
3. Can you find examples of situations where 'weak' people have changed things for the better?

Task

*Go outside and find examples of plants growing in unlikely places. Take some photos of them and make them into a powerpoint to share the idea that 'weak' things can be strong.
