

HOPEFUL ARTCARD NO.17 - *Lara Hickson, Y6, Fairfield Endowed VC Junior*

My picture represents a young girl in a hospital bed and one of her family members is hoping she will get better. The sun on the hillside is representing hope that good things will happen. The girl standing by the bed has a thought bubble to show a happy image of her and her sister.

Bible Passage

Humble yourselves, then, under God's mighty hand, so that he will lift you up in his own good time. Leave all your worries with him, because he cares for you.

1 Peter 5:6-7

Questions

1. Do you think the Bible passage might be helpful to the people in the picture? Why/why not?
2. we do not know what happens to the girl in the bed, whether she recovers or not, but Christians believe that death is not the end of their story but that God has promised them everlasting life. What do you believe happens when people die?

Task

*With a talking partner see if you can take it in turns to make up a story to go with the picture and what Lara says about it. See if you can use just eight short sentences to tell the whole story and it must finish in a hopeful way.
