World Peace!

HOPEFUL ARTCARD NO.23 - *Maariyah Iqbal, Y6, Long Lane VC Primary*

I have called my picture 'Hope For World Peace'. I chose it because I want no wars, no arguing, no fall outs. Doing this work has made me think about how much everyone can argue in a day and how much it affects people's lives. If people listen to my words then hopefully there will be no more tears, no more arguing.

Bible Passage

The good acquire a taste for helpful conversation;
bullies push and shove their way through life.

Careful words make for a careful life;
careless talk may ruin everything.

Proverbs 13:2-3

Questions

1. Maariyah gives some practical advice. Do you think it could help the world to be a more peaceful place?
2. Can you think of an example from life at school when careful words make a careful life? or when careless words can ruin everything?

Task

*Rather than count how times people argue in a day try to remember how many times you said something positive or 'thank you' in the last 24 hours and try and double it in the next 24 hours.
