HOPE!

PEACE!

HOPEFUL ARTCARD NO.6 - *Bradley Lockett, Y6, Bishop Lonsdale VA Primary*

The shield represents 'never give up' and stay strong. My picture of the flower represents new beginnings for all of the animals and plants. The words going around the shield are different words meaning 'hope'. The Chinese symbol is so everyone can hope for something precious to their heart.

Bible Passage

Keep your eyes open,
hold tight to your convictions,
give it all you've got,
be resolute,
and love without stopping.

1 Corinthians 16:13

Questions

1. Do you agree with Bradley that all these words are different meanings for 'hope'?
2. What does peace and hope mean to you?
3. How do you think the advice given in the Bible passage might help a Christian to live? Would it be an easy life?

Task

- *Make a shield of your own and decorate it with pictures and words which show what you think is worth never giving up on.
- *Make up some simple actions to go with the Bible passage and share them in collective worship.
