

HOPEFUL ARTCARD NO.8 - Imogen Griffiths, Y6, Sale and Davys VC Primary

My picture is hope as I see it in a symbolized form. The dove represents peace and the world is a symbol of goodwill to everyone. The seas look like part of the world, but they represent water and nourishment for all. This has helped me realise that hope is a human phenomenon. The paw print shows that we as humans need to show animals more loving and care. This is my description of hope.

Bible Passage

God spoke: "Let us make human beings in our image, make them reflecting our nature so they can be responsible for the fish in the sea, the birds in the air, the cattle, and, yes, Earth itself, and every animal that moves on the face of Earth."

God created human beings;
he created them godlike, reflecting God's nature.
He created them male and female.

God blessed them:

"Prosper! Reproduce! Fill Earth! Take charge!
Be responsible for fish in the sea and birds in the air, for every living thing that moves on the face of Earth".

Genesis 1:26-28

Questions

1. How can humans look after the world that will bring hope to all that lives on it?
2. How do you think humans can reflect God's nature?
3. How can this country show more respect for animals?

Task

- *Speak kindly to someone in school today who you don't always get on with.
- *Do a litter pick in school or collect pennies every time you use water to send to Water Aid.
- *Make a mobile with a dove in the middle and hang from it all the different things humans need to look after and enjoy.
