

# HOPEFUL ARTCARDS

These cards have been produced following an art competition between all the church schools in Derby Diocese in 2013 prior to the Church Schools' conference which was entitled 'Hope For The Future'. The Christian understanding of the word 'hope' is of a sure and confident expectation.

Each piece of art work has provoked questions and suggestions for follow up tasks which you will find on the reverse of each picture. Some of these can be used in Collective Worship, RE and all can support Spiritual Development. Please do use your own ideas for questions and tasks - the ones given are just a starter!

There is also a Bible reference on each card which explores the art a little further. Many references could have been used and you may want to use others that compliment the central message. A variety of versions were used: the NIV, Good News, Contemporary English and The Message. It is an interesting activity to look at side by side comparisons of the versions on [www.biblegateway.com](http://www.biblegateway.com)

These cards can be found at <http://derby.anglican.org/education/schools/> so they can be projected and used on a whiteboard.

Thank you to all the schools who took part in the competition:

Bishop Lonsdale VA Primary  
Darley Churchtown VC Primary  
Fairfield Endowed VC Junior  
Long Lane VC Primary  
Loscoe VC Primary  
Holy Trinity VC Primary  
Sale and Davys VC Primary  
St Andrew's VA Primary  
Stanley St Andrew's VC Primary  
St Werburgh's VA Primary  
Walter Evans VA Primary

Thank you to pupils at Stanley St Andrew's VC Primary for supplying some of the thought provoking questions.
