
Church School Governor Training 2018

Derby Diocese Board of Education

We are offering termly governor training this year which is open to all governors of church schools. We recommend that you decide who of your governing body should attend each of the sessions so as to use governor's skills and responsibilities to the best effect. So for instance, those who are members of the standards committee would be the most appropriate to attend the Spring term training. We have chosen three venues which we hope will enable all school governors to access them without too long a journey.

Spring Term Training Focus

Monitoring and Evaluation and how this helps you as a governor gain an independent view of the performance of the school and equips you to answer questions at an Ofsted inspection. Led by Mark Mallender, Deputy CEO of Derby Diocese Academy Trust and Lead Ofsted Inspector

Summer Term Training Focus

Introduction to the new Statutory Inspection of Anglican and Methodist Schools (SIAMS) framework and consideration of its implications for your school. Led by Alison Brown, Deputy Director of Education and SIAMS manager for Derby Diocese.

Autumn Training Focus

An overview of safeguarding, your roles and responsibilities to ensure that you are compliant with statutory duties and equipped to answer questions at an Ofsted inspection. Led by Jackie Stirland, Senior School Improvement Officer of Derby Diocese Academy Trust

Please either circle this form with your choice of dates and venues and return to Netta Russell, Derby Church House, Full Street, Derby or email netta.russell@derby.anglican.org

Your name and school: _____
