

A Prayer for Ukraine

God of peace and justice,
we pray for the people of Ukraine today.
We pray for peace and the laying down of weapons.
We pray for all those who fear for tomorrow,
that your Spirit of comfort would draw near to them.
We pray for those with power over war or peace,
for wisdom, discernment and compassion
to guide their decisions.
Above all, we pray for all your precious children, at risk and in fear,
that you would hold and protect them.
We pray in the name of Jesus, the Prince of Peace.
Amen.

What is the 2027 Community of Prayer?

We are the Diocese of Derby network of prayer – praying together, as we prepare to celebrate our centenary in 2027, for transformed lives in growing church and building community the length and breadth of our diocese.

2027 Community of Prayer

Our shared prayer across the diocese is the frame that holds us together as God weaves the threads of our lives, our worship, witness and work for Christ, into something beautiful.

We hope that over the next five years 2027 people will commit to regular prayer, as individuals, and as churches, groups or schools.

Why join the 2027 Community of Prayer?

Our Christian lives begin and end in prayer: in prayer the Spirit unites us to God and to one another; in prayer we are changed ever more into the likeness of Christ; in prayer we are equipped for our Heavenly Father's service. Being rooted in prayer nourishes our shared values of generous faith, courageous hope and life-giving love. Prayer is essential as we engage afresh in living out the 5 Marks of Mission – to tell, teach, tend, transform and treasure – in response to the vision God has given us of the Kingdom of God as good news for all.

Prayer is a demonstration of our love and commitment to all the people and places of our diocese in Derbyshire, the city of Derby, and beyond.

You can find full details of what being part of the 2027 Community of Prayer means at:

Hi Folks,

Revd Steven Cotterill

I am Steven Cotterill, the new Self Supporting Minister licenced to St Helen's Pinxton. I have been asked to write a few words to introduce myself, so I will try not to bore you too much. I was licensed on Sunday 13th February.

I am 57 and happily married for 35 years to Julie, who is currently the Anglican minister at Sutton Newcross LEP, and is to be licenced as the incumbent of St Mary Magdalene Sutton in Ashfield, on 10 July. We have 3 grown up children, 2 grandchildren and a 3rd on the way in April. For a day job I have a steel fabrication and structural engineering business with my son Matt.

I came to faith as a child at the age of 5 in Sunday school in a AoG Pentecostal church, and I felt strangely drawn to the Anglican church at the age of 18 when I spotted a beautiful 18-year-old girl there, who later was misguided enough to marry me.

Prior to joining Pinxton, moving from Southwell & Nottingham Diocese I was Associate Priest at Eastwood, & Brinsley with Underwood for 2 years after serving a 4-year curacy at Annesley with Newstead & Kirkby Woodhouse.

Before ordination training, I was a reader for 10 years, licenced to the area dean, I have helped at Kirkby in Ashfield, Brinsley, Underwood, Skegby, Stanton Hill, Teversal, & Sutton Newcross. Whilst at Newcross I represented the LEP by serving as an "Anglican" Methodist Local Preacher on the Borders Mission Circuit for 4 years.

I often say that as a Self Supporting Minister I am like the proverbial stray dog – 'free to a good home,' and I am really grateful to the people of Pinxton who have given me a really good home.

Amber Churches Licensing Rev Dr Peter Bold

L – R Revd Imogen Black, Revd Dr Peter Bold, Bishop Malcolm and Archdeacon Carol Coslett.

On Sunday 20th February we celebrated the licensing of Revd Dr Peter Bold as part-time Priest in Charge for Ashover, Brackenfield, Handley and Wessington churches. The service was led by Bishop Malcolm, Archdeacon Carol Coslett and Area Dean Revd Imogen Black. Around 100 friends, family, civic leaders, and church family enjoyed a very uplifting and joyous service in Ashover Church. We were able to welcome Peter and Candy to their new home and new communities and look forward to their ministry for many years to come.

Shortly after arriving in the Benefice Peter and Candy were thrown in the deep end with the Parish Pancake Party with 30 children attending. Games and lots of eating were compulsory – yum, yum!

Peter and Candy have agreed to be 'island castaways' for an evening of gentle questions and music as part of their welcome to Ashover. We all look forward to an entertaining evening getting to know them both in a bit more depth.

Living Generously Adviser

Steve Johnson

Hi – my name is Steve Johnson, and I've been appointed to a new role within the Diocese, that of Generous Living Advisor for which I am extremely excited about. I am endeavoring to ascertain the complexities of what the role will demand, and I am very grateful for all the support, encouragement, resources, and friendship offered to me, together with the opportunity to connect with new people in and around the diocese.

I am Derbyshire born and bred, I live in South Derbyshire with my wife Joanne and our two children, Joanne also working for the Diocese as the Accounts Assistant. I graduated from Sheffield University in 1993 and have spent all my professional career in commerce and retail running my own multi franchised company.

I have been a Christian all my life increasingly nurturing my faith through the last 20 years, I find myself in the second year of LLM (Reader) Training in the Derby Diocese, looking forward to combining the commercial expertise I have gained over 30 years in business together with the application of my evolution of my faith learning journey.

On reflection I passionately believe God determined events in my life which have guided and equipped me, calling me to this new challenge for which He has prepared me. At present I am making my introductions, discovering the requirements and challenges of the Generous Living Advisor together with the resources, tools and processes I must learn to enable the creation of a consistent, deliverable, and sustainable program for our diverse parish network.

Please don't hesitate to contact me if you require any assistance with the Parish Giving Scheme, Card Reader or Contactless giving as well as online donations. My email is steve.johnson@derby.anglican.org, and you can call me on 07359 067631.

I hope to be in touch with as many as I can over the next few months as I make my way out into the parishes.

A Snowdrop Tea

Snowdrops in St Martin's churchyard

Snowdrops are hardy little flowers with a very grand sounding Latin name: *Galanthus nivalis*. They are also one of the first signs that spring is on the way and bringing with it warmer weather. The snowdrop though isn't native to the British Isles – it's a native of mainland Europe and is thought to have been introduced to ornamental gardens in the 16th century, spreading into the wild by the 18th century.

On Saturday 26th February St Martin's Church Alfreton celebrated a snowdrop tea. As you can see from the photograph opposite the snowdrops in the churchyard looked beautiful and as it was a lovely sunny day there were many visitors to the church to see the snowdrops and to enjoy afternoon tea. There was also a raffle and tombola – thank you to everyone who donated prizes and we raised a much needed £330 towards church funds.

Crocuses in the churchyard peeping through the autumn leaves.

Did you know that traditionally, snowdrops were used to treat headaches and as a painkiller? In modern medicine a compound in the bulb has been used to develop a treatment for dementia. You cannot eat the bulbs though as they are very poisonous.

Shrove Tuesday

Pancake day, or to give it its proper name Shrove Tuesday is the day before Ash Wednesday and the start of Lent.

Lent – the 40 days leading up to Easter – is traditionally a time of fasting and on Shrove Tuesday, Anglo-Saxon Christians went to confession and were ‘shriven’ which means being absolved from their sins. A bell would be rung to call people to confession. Shrove Tuesday always falls 47 days before Easter Sunday, so the date varies from year to year and falls between 3rd February and 9th March.

This year Shrove Tuesday was on 1st March – St David’s Day.

Shrove Tuesday was the last opportunity to use up eggs and fats before embarking on the Lenten fast and pancakes are the perfect way of using up these ingredients, and whether you like yours plain, with lemon and sugar, orange juice or syrup there is no denying that pancakes are an excellent way to use up those eggs and fats.

The ingredients for pancakes can also be seen as symbols of four points of significance at this time of year:

Eggs – a symbol of Creation
Flour – the staff of life
Salt – Wholesomeness
Milk – a symbol of Purity

God's Acre – Snowdrop and Bird-Box day at St Mary's Crich

St Mary's Church, Crich, are continuing their project to encourage all sorts of wild-life already in their churchyard! This includes birds, small mammals, and wild flowers. A survey of the churchyard has been done, including observing which birds frequent it.

On Saturday 5th March, ten of the congregation, including 2 youngsters, had a satisfying morning planting snowdrops which had been donated. Large clumps hidden away at the back of the churchyard were split up and replanted along paths, under trees and around gravestones.

Planting snowdrops and installing a bird box for a nuthatch

In a few years' time these snowdrops should increase to produce beautiful swathes, heralding Springtime. There are a lot of yew and deciduous trees in the churchyard. The boys installed 4 robin and wren brushwood nests and a box for the nuthatch, and boxes were sited for robin and fly catcher, and a cup-shaped box for house martins. We will patiently wait for the birds to find them!

Community Cafe

Ault Hucknall congregation are enjoying meeting in the newly refurbished Community Café at the Glapwell Centre for our five-week Lent discussion. We have been made very welcome and enjoyed hot cross buns to aid our deliberations.

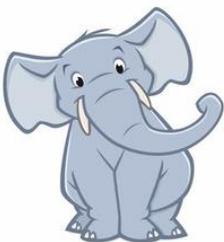

During Covid our electronic Church Organ was finally declared irreparable. We have come to rely on the iPad over the last two years, but on 19th March we will be taking receipt of a 'new' (second hand) organ from Chapel-en-le Frith. Many thanks to all involved with the movement from 'A' to 'B,' it will enhance our worship. A donation was made to Blythe House Hospice Trust at the request of the donor in lieu of payment for the organ.

Scarcliffe Church doorway is having a facelift! Old mortar has been removed from the ancient doorway and arch and very eroded stones have been replaced. Thanks for all the hard work by the builders, it will enable the church to stand for another couple of hundred years we hope!

Palterton Mission has restarted the children's work, and around 15 are attending each week. Many thanks to those who are giving up their time for this, it is appreciated. The building is tiny with no running water but the children find a warm welcome and feel secure in their space.

A HUGE thank you to everyone for completing your 2021 mission statistics. I am very happy to be able to report that we not only achieved a 100% return, but we were also the first to the finish line. Yay!

New Archdeaconries

The move to three Archdeaconries in the Diocese is now moving forward. The proposals put forward were for a structure better reflecting the valuable diversity and complexity of the diocese, including our combination of urban, post-industrial and rural contexts. The outcome from the consultation indicated that archdeacons should take on 'champion' roles across the diocese and should advocate on behalf of those contexts of mission and ministry. The recruitment and legal processes are underway. The date of creation for the three new archdeaconries is 6th June 2022.

The new structure will be:

- **Derbyshire Peak and Dales** – consisting of the current Carsington, Peak and Dove and Derwent deaneries. The Venerable Carol Coslett, Archdeacon of Chesterfield – and currently Archdeacon for Hardwick deanery, will take up the post of Archdeacon of Derbyshire Peak and Dales.
- **East Derbyshire** – consisting of Hardwick, North-East, and South-East deaneries. There will be a new Archdeacon appointed.
- **Derby City and South Derbyshire** – consisting of Derby City and Mercia deaneries There will be a new Archdeacon appointed.

Under the championship model, in addition to their geographical statutory responsibilities, the new Archdeacon of East Derbyshire will lead on transitioning and post-industrial communities, and the new Archdeacon of Derby City and South Derbyshire will lead on urban communities. As Archdeacon of Derbyshire Peak and Dales, the Venerable Carol Coslett will champion rural communities and market towns in the diocese. All additional costs are being met by the strategic use of investment income.

Update from Hardwick Deanery Synod

Synod welcomed Revd Aron Simpson, Revd Peter Bold and Revd Steven Cotterill who were attending their first deanery synod. Aron is local to Derbyshire and was licensed to the united benefice of Morton and Stonebroom with Shirland in December 2021. Peter joined the deanery this month having been licensed to Ashover, Brackenfield, Wessington and Handley on 20th of February, Peter was previously the Rector in the Dronfield Team. Steven was licensed on 13th February to St Helen's Pinxton and joins the deanery from the Diocese of Southwell and Nottingham.

Dr Jo Henderson-Merrygold, the Lay Ministries Development Officer gave a presentation to synod about her role which is to celebrate and affirm lay ministries. Lay ministry begins with individuals sharing their own stories and experiences of family, community, working life, church and beyond.

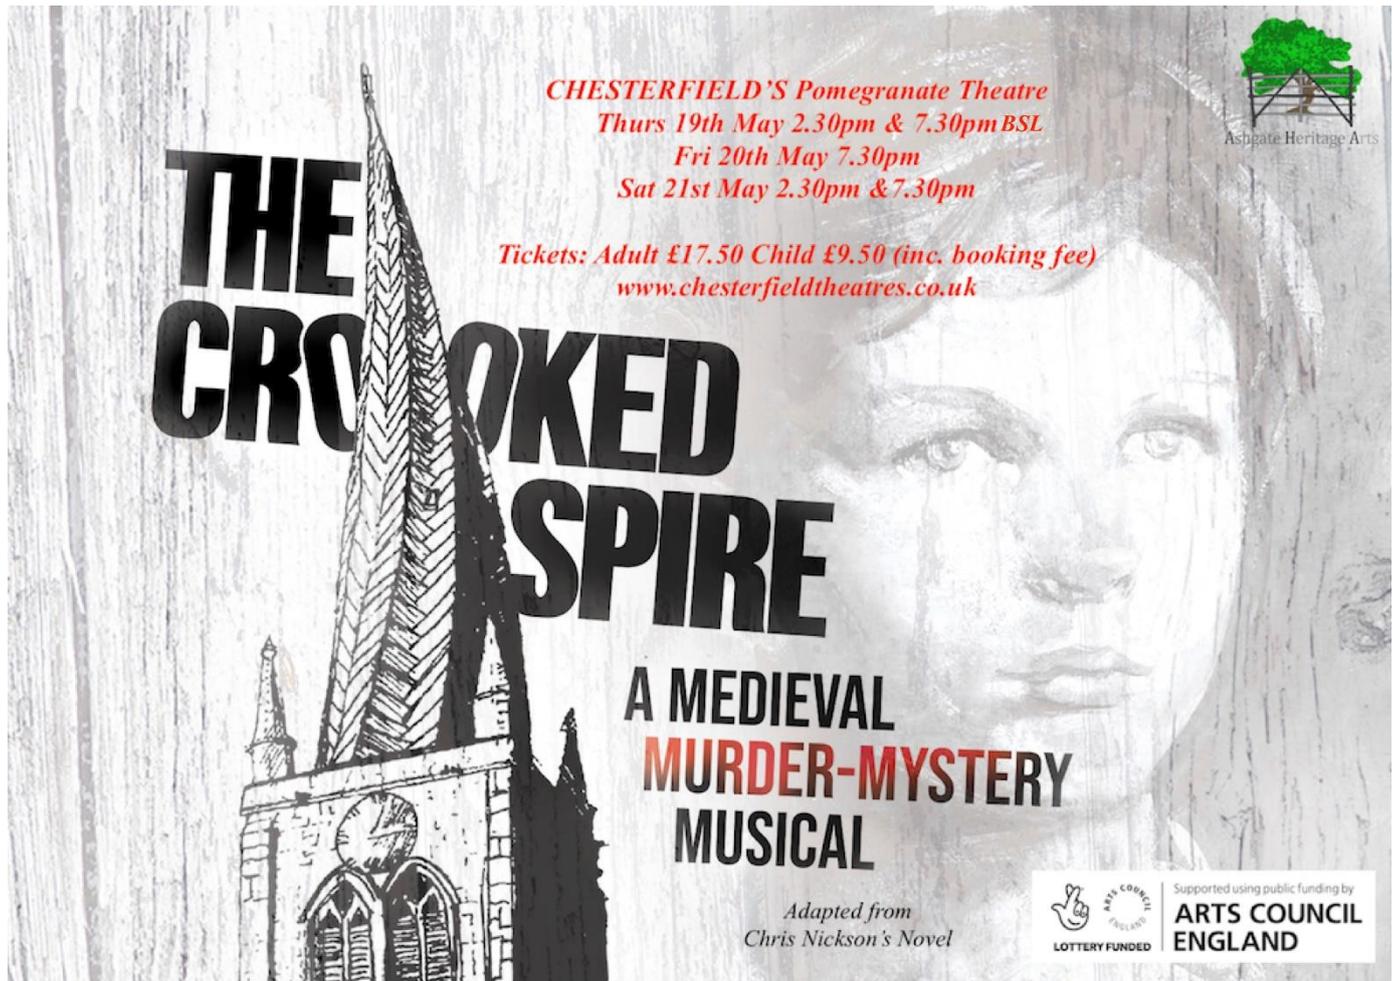

The five elements of lay ministry representation are: the life of the church, community, itinerancy, context, and expertise. All are linked together and link with the definition and purpose of lay ministry which is distinctive and forms its own path that differs from ordained service in that it is:

- A distinct call to serve in lay ministry
- Non-sacramental service
- A commitment to serve in church life
- A critical friend
- It represents status for laity
- It offers opportunities for creating inclusive and specialist roles
- Individuals can work around their other commitments

Lay ministry offers the opportunity to provide pastoral care, do youth work, outreach work, public leadership, be a pastoral companion, an educator or an advocate for social justice.

For anyone who has a call to lay ministry there is a range of training and support available. Contact Jo Henderson-Merrygold at Jo.Henderson-Merrygold@derby.anglican.org

The Platinum Jubilee

Churches are in an ideal place to bring communities together for the Queen's Platinum Jubilee weekend from 2nd – 5th June, which ends on Pentecost Sunday. At that time the nation will celebrate with a number of national events including a Service of Thanksgiving and a concert from the grounds of Buckingham Palace. Further information and ideas about how you can celebrate can be found at:

<https://derby.anglican.org/en/news/platinum-jubilee/platinum-jubilee-resources.html>

You can advertise your own event by contacting the communications team on:

communications@derby.anglican.org

The team will put details of your event on the diocesan website. You can also advertise on the deanery Facebook page.

Do you have something you want to share? Are you holding an event and want to ensure people know about it?

If you answered 'yes' to one or both of those questions don't forget to include it in the deanery newsletter.

The newsletter is produced quarterly, roughly in line with the seasons. We can include almost anything in the newsletter – as long as its legal, decent, honest and truthful, and not rude we can share it with the rest of the deanery. The newsletter is also shared with +Libby and +Malcolm and it is circulated to the other deaneries. It is also on the diocesan website.

So don't be shy – tell us your news. You know how we all love to know what's going on.

Safeguarding Training

In short, everyone who works for and volunteers for the Diocese of Derby needs some level of safeguarding training.

This includes all clergy, readers, PtOs, church officers, PCC members, Derby Church House staff, deanery administrators, parish officials, church volunteers and, of course, parish safeguarding officers and deanery safeguarding officers.

The training is divided into core and specialist Modules. The Diocese of Derby Safeguarding Training Matrix February 2022 shows which training is required and which is recommended for a variety of roles – the matrix is on the next page.

Please note: all courses except Basic and Foundations MUST be done as Zoom sessions or 'in person' sessions as provided by Derby Diocese. E-learning Safer Recruitment and e-learning Domestic Abuse are not acceptable within the diocese, and do not fulfil training requirements.

Further training details can be found at:
