Bishop Libby's Visit to the Deanery and Synod

Bishop Libby will be installed at the Cathedral at a special service on 25th May.

She wants to visit each deanery as soon as possible after taking office and before Pentecost!

She will be spending the day in the deanery on Wednesday 29th May, so South East will be the first deanery she will visit.

In an effort to show her different aspects and areas of the deanery, she will have a packed day visiting projects and employers in the area and then speak at the deanery synod in Ripley in the evening. This will include a Holy Communion and is open to everyone in the deanery, not just synod members.

Her itinerary will include:

- Morning Prayer at All Saints, Dale Abbey
- Coffee at 'The Big Kirk Hallam' Community Centre
- Lunch at 'Welcome on Wednesday' Community Lunch in Long Eaton
- A visit to Broomfield College
- A visit to Matthew Walker Pudding Factory at Heanor Gate
- Communion and welcome to the Deanery at All Saints Ripley

We hope to give Bishop Libby a memento of her visit with a map and photos of the places she will visit plus a short welcome or pen profile from each parish as it isn't possible to visit every parish in the deanery in one day!.

If your parish has not yet sent something in, please send to Angela asap.

Hoping as many as possible will be able to attend the service at Ripley.

'Thy Kingdom Come' is a movement of prayer, begun by Archbishops of Canterbury and York in 2016. It calls people to a focused time of prayer between the festivals of Ascension and Pentecost (30 May to 9 June 2019), for people to hear and respond to the Good News of Jesus Christ. Resources are available for each church who would like them from Angela or Karen. These include Novena prayer journals and Family Adventure packs. Other resources may be available and more information can be found at <https://www.thykingdomcome.global/>

Blood Bike Blessing at St Mary's

Is this a first - a motorbike in church?

St Mary's Ilkeston had a service of dedication and blessing of a new Blood Bike for Derbyshire, bought by money raised by the Henshaw family and friends in memory of Jamie Henshaw who started raising money for Blood Bikes before his death through cancer.

Many family and members of the biking fraternity and Blood Bikes organization attended the service. The bike will be known as the 'Ride on Jamie Memorial Bike' and will deliver life-saving blood donations to hospitals throughout the area

Getting Started with Fresh Expressions 1

Thu 16 May 7pm-9pm, Holy Trinity, Mapperley

Starting a fresh expression can seem complicated and difficult for many churches- and yet, it need not be. This workshop gives some practical advice and ideas about how to get started with fresh expressions, without assuming any previous knowledge or experience. It introduces the idea of fresh expressions, explores why we should consider using them and leads people in some simple steps to start their fresh expressions journey.

Mon 15 Jul 7pm-9pm, Holy Trinity, Mapperley

This workshop is designed for those churches that already have a fresh expression but want to move to the next stage with it. The workshop focuses on two particular areas; making and growing disciples within your fresh expression and growing your fresh expression by replicating it. Although it follows on from 'Fresh Expressions 1,' the workshop doesn't assume that you have attended this first.

Being a More Inclusive Church

Wed 22 May 7pm-9pm, Church House - BOOK NOW!

Wed 23 Oct 7pm-9pm St Helen, Darley Dale - BOOK NOW!

'Drawing the circle wider... and wider'- this workshop will explore why the principles of inclusion are central to the mission of the church.

Inclusion is actually a very simple concept of enthusing all that we do with a deep desire to bring all into the love of Christ and speak the word of God afresh to our generation.

We will look at how relatively small changes can help the local church engage in radical hospitality and radically refocus mission for growth.

This is a practical workshop for those interested in exploring issues of inclusion in areas like disability, addiction, mental health, gender, age, sexuality and poverty; it will also introduce the work of the educational charity Inclusive Church.

These sessions are open to all, but booking is essential.

Children's Society Speaker Ambassador

We listen. We support. We act.
Because no child should feel alone.

The
Children's
Society

Volunteer Speaker Ambassadors urgently needed in your area

Our volunteer speaker ambassadors raise awareness and support for our work through their incredible efforts speaking in their local churches about the issues faced by disadvantaged young people, and what our charity does to help.

Speakers use their skills and passion to reach out to different audiences in their communities, inspiring them about our work with children facing poverty, neglect or family crisis.

Volunteering as a speaker is the perfect opportunity to share your experiences, encourage public awareness of the serious issues faced by children and young people in the UK, and improve and strengthen your speaking skills.

What are the benefits of becoming a speaker?

Benefits include:

- comprehensive training, resources and ongoing support
- opportunities to meet new people in your community,
- the chance to gain new skills and self-confidence
- the satisfaction of knowing you will be making a difference to the lives of vulnerable children
- What's more, the role is flexible to suit your commitments and interests. All we ask is that you aim to carry out at least four talks a year.

FOR MORE INFORMATION AND TO ARRANGE AN INFORMAL CHAT PLEASE CONTACT JANE FOSTER ON 07975597471 OR EMAIL jane.foster@childrenssociety.org.uk

It is very important that both the Diocese and the Deanery are informed of new Synod members and any who have newly taken on church officer roles within PCCs so we know who to contact with information. The Diocese has a Directory which is only accessible to those within the church organisation who have authority to view it and it is important that contact details, especially email addresses are correct. If you think your details may need updating, please contact: -

enquiries @derby.anglican.org or Angela and we can make sure they are correct on the system. Could PCC secretaries also let us know of anyone who has stood down from a role so we don't contact them with unnecessary information.
