Standing Order forms 2023

Please find attached the standing order form for the payment of the 2023 Common Fund.

Complete with your PCC bank details and put your unique 6-digit parish reference number in the box at the bottom of the form.

If you are unsure of this code, please refer to the Common Fund 2022 request section of the website where all parishes are listed by Deanery. This is important so that we can easily identify who the payment has come from. You will also find listed the Common Fund request for your parish.

Once completed, please send one section to your bank and the other to:
