Introduction

Welcome.

Firstly, thank you for your ministry and all that you do to grow God's kingdom here in the Diocese of Derby. Please know you and your ministry are appreciated.

What follows is a list of internal and external grants that are available for clergy and their families. There is a wide range of support available for clergy at every stage of their ministry. This short document is an attempt to assist you by summarising some of the principal sources of grants and funds.

If there are any funds or grants that you are aware of that have not been included (or any that are now defunct), please let the Ordained Ministries Development Officer at dwayne.engh@derby.anglican.org know so that the document can be updated.

Internal Diocese of Derby Grants facilitated through the Bishop's Chaplain

Please make requests directly to Bishop Libby or email grants@bishopofderby.org.

Introduction

Bishop Libby has discretion over awarding grants from the following. Please make requests directly to Bishop Libby or email grants@bishopofderby.org. Please note each grant awarding body has different criteria, which are simplified below. For more information, please contact the Bishop's Chaplain at grants@bishopofderby.org. The Bishop's Chaplain monitors this email address.

The Henry Smith Charity

The Henry Smith Charity provides grants to assist parochial clergy in financial need at a time of crisis or acute need, where this could be detrimental to ministry. The need may arise from family circumstances, unusual or emergency expenditures or simply the need for a family holiday after a period of stress and exhaustion.*

The Clergy Rest Fund

The Clergy Rest Fund allocates money to diocesan bishops with a request for them to distribute it among the clergy of the diocese. The money is primarily for clergy in greatest need of assistance in paying for a holiday, though it is acceptable to use it to alleviate other instances of need.

The Tranquillity House Trust

The Tranquillity House Trust exists to assist towards the cost of holidays for clergy, and in making awards, it is required to have particular regard to those clergy who, for any reason, are in need.

The Queen Victoria Fund

The Queen Victoria Fund aids licensed clergy in need, and can be used for anything except training courses for clergy - though support costs for attending a course could be covered.*

Additional Discretionary Grant

There is an additional discretionary grant that Bishop Libby can extend to licensed clergy/ordinands/PTO at her discretion. Some of the criteria overlap with other funds or grants mentioned, but they also apply to circumstances that the other grants do not cover.

*Please note: Grants must be applied to support licensed clergy.
Unfortunately, it does not include ordinands or retired clergy.

Internal Diocese of Derby Grants facilitated through the Ordained Ministry Development Officer

Discretionary Retreat Grant

<https://derby.anglican.org/en/church-admin/continuing-ministerial-development.html>

Introduction

It is expected that clergy will make time for an annual retreat, for spiritual direction or for attending a Christian Conference. If the minister is parish based, the officers of the parish, especially the churchwardens, should ensure that their clergy have an annual opportunity to make a retreat of a week's duration in addition to holidays.

Who can apply for the Retreat Grant?

The Diocesan Retreat Grant is intended to support all ordained clergy currently active in any form of post, whether Self Supporting or Stipendiary Clergy.

How much can I claim?

Up to £250 is being offered per person on an annual basis. All grants are discretionary, but please do apply and we will always seek to support you in any way we can.

Is there a deadline?

Applications should be placed with the Ordained Ministries Development Officer by **30th November** for that calendar year to allow the budget to be properly managed as year-end approaches (The Diocesan Board of Finance works to a calendar year).

Continuing Ministerial Development (CMD) Discretionary Grant

<https://derby.anglican.org/en/church-admin/continuing-ministerial-development.html>

From the ordinal

“Will you be diligent in prayer, in reading Holy Scripture, and in all studies that will deepen your faith and fit you to uphold the truth of the Gospel against error?”

Introduction

The Diocese of Derby wants to encourage all its licensed clergy to continue learning throughout their ministry and this grant is available to help you do just that. It is our hope that, as ministers grow and develop in their ministry and discipleship, they will identify the training and development opportunities they need. All grants are discretionary, but please do apply and we will always seek to support you in this way if we can.

Who can apply for a CMD Grant?

The Diocesan CMD Grant is intended to support those who are currently in post in a parish/chaplaincy/pioneer context/cathedral, whether Self Supporting or Stipendiary Clergy.

How much can I claim?

The maximum amount is £300 per year. There is no roll-over – so if you don't use all/any of your grant in any one year you can't add this to the following year. Please only apply for a grant that is to be used in that calendar year.

Is there a deadline?

Applications should be placed with the Ordained Ministries Development Officer by **30th November** for that calendar year to allow the budget to be properly managed as year-end approaches (The Diocesan Board of Finance works to a calendar year).

Sabbatical

<https://derby.anglican.org/en/church-admin/continuing-ministerial-development.html>

We are pleased to encourage licensed clergy to take a three-month sabbatical for every 10 years of ministry. This sustained period away from normal duties promotes professional development and personal enrichment. Please note it is recommended that sabbaticals are planned **at least 18 months in advance**. The Diocese of Derby funds up to five (5) sabbaticals or study leaves in each calendar year. A sabbatical grant of **up to £900** is available.

The purpose of a sabbatical:

A sabbatical is an expression of Sabbath. It is an extended period which is neither work nor holiday but an opportunity to live life differently; to study or explore; to look again at ministry, work and lifestyle; to let God speak to you afresh. A sabbatical plan should include significant elements retreat, renewal, rest & recreation.

How long can it last?

The normal period for a sabbatical is three months (with a minimum of six weeks and a maximum of 12 weeks). These periods should be seen as over and above annual holiday.

Study Leave

<https://derby.anglican.org/en/church-admin/continuing-ministerial-development.html>

We are pleased to encourage licensed clergy who are enrolled on a substantial course of study, writing up a thesis or dissertation, completing a book, to request a study leave to complete the work. Please note it is recommended that study leaves are planned **at least 18 months in advance**. The Diocese of Derby funds up to two (2) study leaves in each calendar year (if not used, those funds are used to support another sabbatical). A study leave grant of **up to £900** is available, which can be divided over two or three years.

How long can it last?

The normal period for a study leave is three months (with a minimum of six weeks and a of maximum 12 weeks). These periods should be seen as over and above annual holiday.

Study Leave is more flexible than a sabbatical in length and structuring of time. It is available in two-week blocks from a minimum of two weeks up to a maximum of twelve weeks and over as many as three years.
