

## **Did Jesus Really say... (use SOME of these)**

**(GNB translates “Blessed” as “Happy”)**

<b>People are happy when they work for peace.</b>	<b>People are happy when they don't pretend to be more important than they are.</b>
<b>People who are sad because someone they love has gone away will be helped to feel happy again by God.</b>	<b>People are happy when others see their faith in God and are mean to them</b>
<b>People are happy when they are kind and helpful to anyone who needs help.</b>	<b>People are happy when others who don't follow Jesus tell lies about you.</b>
<b>People are happy when they really want to do what God wants them to do.</b>	<b>People are happy when they are very rich and have everything they need.</b>
