

## WOULD YOU HELP TO WASH?

1. A toddler covered in baked beans?
2. A dog who has been swimming in a dirty, smelly pond?
3. The floor when someone has spilt their cornflakes all over it?
4. The kitchen when the dog has knocked over the smelly bin?
5. A baby with a smelly nappy?
6. A little girl's teddy which has fallen into a muddy puddle?
7. Your best friend's feet when he or she has walked a long way in sandals?
8. The dirty feet of someone in your class that you really don't like.

Is cleaning someone up a nice or a nasty job do you think?

Why do you think Jesus decided to do this job for his friends
