

WEDDING AT CANA – CROSS CUTTING

What to do:

Split the children into two groups. Starting at the top of one of the columns, each group works out what one person would say in response to the question/comment. Give each group time to fill in their blank boxes.

BRIDEGROOM	SERVANT
You servants look a bit worried – what’s up?	
I bought plenty of wine, there will be enough definitely.	
	Everyone go and look in all the cupboards. We need more wine!
	There’s a lady here who says her son can help get more wine. What do you think?
