Read each section of the story. You could draw a picture for each section, OR, you could act out each one, OR, you could find pictures on a phone (work with an adult) for each box. If you like you could do all three things!

<p>1. After the 5000 people had been fed, they went home. The disciples set off in their boat.</p>	<p>2. Jesus went up on a mountainside on his own to pray. The boat with the disciples in was in trouble It was windy and there were huge waves!</p>	<p>3. It was nearly morning and Jesus walked across the lake on the water towards the boat.</p>
<p>4. The disciples were terrified and thought that he was a ghost! Jesus told them not to be afraid.</p>	<p>5. Peter got out of the boat and tried to walk towards Jesus. But the wind was strong and Peter was afraid – he started to sink, but Jesus caught onto him.</p>	<p>Jesus asked Peter why he had doubted. As they got into the boat the wind died down.
