- What did you think about this Bible reading?
- Were you surprised that when the Holy Spirit came there was a sound like the rushing wind and flames above everyone's head?
- Why do you think it happened like this?

HOW DID THEY CHANGE?

When the Holy Spirit came onto the believers one of the things that they did was to speak in different languages!

There were lots of people from different countries in Jerusalem, and they could all understand what was being said.

- Why do you think that the Holy Spirit gave them this skill?
- Can you speak any words from a different language? You could make a poster like the one below with ways of saying "Hello!"

WHAT HAPPENED NEXT?

Before he went back to heaven, Jesus told his friends that they would be witnesses for him, "in Jerusalem, in all Judea and Samaria and to the ends of the earth" Acts 1:8 How many of these places can you find on the map?

TO DO

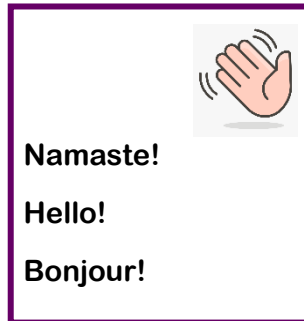

You could draw or paint a picture of what happened on the day of Pentecost

Or, you could pretend to be one of the disciples early on the day of Pentecost, before the Holy Spirit came and then imagine you are the same disciple after the Holy Spirit has come. How would you be different?

TO DO

Namaste!
Hello!
Bonjour!

What did some people say?

Saying "Hello" is a good way to start a conversation. What else could you say to someone you meet about Jesus?

TO DO

You could make a flame hat if you didn't do this last week.

If you did, make sure you wear it today!

If you like making models out of paper, here are two ideas that you could use to make a model dove.
