

## The Art of Spiritual Accompaniment

This is an experiential course for both lay and ordained people exploring listening, prayer, discernment and accompanying others in the Christian life, organized by The Spirituality Network within the Diocese of Derby and the Nottingham and Derby Methodist District but open to all.

### Is this course for you?

- Do you want to learn more about spiritual accompaniment?
- Do people seek your help in deepening their relationship with God?
- Do you want to explore the possibility of a call to spiritual accompaniment, otherwise known as spiritual direction?

### What does the course look like?

This course, now taking place in **2025**, consists of twelve face-to-face sessions, on Mondays from 10am until 3:30pm spread over six months. One of these sessions will be a day retreat. The rest of the sessions will include space and silence, an exploration of different ways of praying, practical listening skills in triads, reflection time in small groups and teaching about spiritual traditions and good practice. There is no course work, as such, but there is a book list to guide those who wish to do further study in their own time.

# The Art of Spiritual Accompaniment

## 2025

*Does your heart long for a little time and space to pray, reflect and consider what God might be wanting to say to you?*

*Do you find people open up to you and want to share something of their faith journey, prayer life and spiritual walk with you?*

If the answer to those questions is **YES** then you might want to turn over and consider joining a small group of people exploring the art of spiritual discernment, direction and accompaniment together.
