Transformed Lives | Growing Church | Building Community
THE KINGDOM OF GOD - GOOD NEWS FOR ALL

Vocation means what you are called by God to be and do.

For some, this is a specific calling to ministry. For others, it could mean serving God through faithful discipleship in everyday life. God calls people to a wide range of ministries in our Church and in our everyday lives.

Have you ever considered how God might be asking you to serve?

Everyone has a vocation but how do we discover what God might be calling us to do in life? Have you ever wondered if God might want you to train for leadership in the Church, or to minister in the Church and community?

Our Vocations Exploration Day is an opportunity to explore your gifts and how you might use these to serve God and the world. We will also look at the different vocational roles within the Church and help you think about what your next steps might be.

Our event is open to anyone interested in learning more, and you are welcome to join us for the whole day, or just drop in for a chat.
