## Programme

### 12:30pm - Arrival & Refreshments

Coffee & Teas and a chance to find your way around the building and register.

### 1pm - Welcome & Introduction

Leaders of the day will introduce themselves and explain the way the afternoon will run.

### 1:15pm - Forgiveness and Pain

Have you ever been told you lack faith, or are sinful or that you are 'so brave'? We ask God to help us forgive others when they hurt us with their words. We will think about how to respond to comments like these in a clear and loving way.

### 1:45pm - Made in the image of God

We remember the story of our lives and reflect on what makes us who we are. We think about what makes us unique and will create some emoji's for ourselves to help us in our prayer life with God.

### 2:30pm - Break time

Refreshments will be available. This is a chance to meet with others if you would like too (please be sensitive).

### 2:45pm - A new perspective - God in us

What do you know about God that you might not know if you hadn't had your life experience? We will reflect on the beauty and imperfections of God's creation including ourselves

### 3:15pm - Break time

Refreshments will be available. This is a chance to meet with others if you would like too (please be sensitive).

### 3.30pm - 4:15pm - Celebration

Music - Word - Image - Prayer. Reflecting on the Joy of Easter whilst living in the struggles we face. Helping us to reconnect with God and to leave in the knowledge that we are loved and he is with us as we go

We will stick closely to these times - if you only wish to come to a part of the afternoon that is fine. Sessions may involve activities, discussions and responses to God in prayer. You are in control. Only do what you are comfortable with. Individual prayer is available at the back of the church through the afternoon.
