Please pray that all of our children and young people will encounter the offer of life in all its fullness through Jesus. Please pray for their well-being and safety. Lord, hear us, Lord, graciously hear us.

For those who are guiding our nation at this time, and shaping national policies, that they may make wise decisions:

Lord, hear us, Lord, graciously hear us.

For doctors, nurses and medical researchers, that through their skill and insights many will be restored to health:
