

Leadership Training

The Church of England's National Safeguarding Team provides the content of Leadership training and this course is aimed at those in a Leadership role and promotes a learning journey for participants.

The Virtual Safeguarding Leadership Learning Pathway requires some pre- course work to be completed. The reason for this is that the Pathway encourages participants to engage in a process of reflective learning. The pre- course work should take approximately two hours.

This training is completed via the Church of England Training Portal where coursework, Zoom link, case study and certificates are accessed.

- Go to the [CofE Training Portal](#)
- Register or login on the portal if you have not already done so (if you have already completed Basic and Foundation portal training, you will already have an account on the Portal). You will need your previous username and password
